

**SCHOOL MEAL PROGRAM ARREARS**

The school meal program shall make a nutritionally adequate meal (breakfast and/or lunch) available to every student and shall operate on the most economically feasible basis. It shall be operated in strict compliance with all laws and regulations pertaining to health; sanitation and safety; internal accounting; employment practices; nutritional standards; costs of meals; and periodic reporting required by New Jersey law.

The Absecon Board of Education believes that regularly consumed nutrition helps maintain the students' energy and facilitates concentration, supporting student achievement (see board policy 3542.1 Wellness and Nutrition). Therefore, it is the expectation of the Absecon Board of Education that students with the assistance of their parents/guardians come prepared for school each day with lunch/breakfast or meal money. Students repeatedly forgetting their breakfast or lunch meal or their meal money may be subject to consequences including parent/guardian conference.

Qualified students whose families have a financial hardship may apply for assistance according to policy 3542.31 Free or Reduced Price Lunches, Milk. The procedures for the administration of the free and reduced price meal program of the Absecon School District will be the same as those prescribed in current state and federal laws and regulations.

The Absecon Board of Education shall strive to make affordable meals available to all students. Students who do not qualify for free or reduced price meals or milk may receive school lunch through the school meal program for a fee that is approved by the Absecon Board of Education. Any student who has a hardship but does not qualify for free and reduced price lunches or milk, may be considered for other assistance on a case by case basis, through outside sources.

The purchase of meals through the school program shall be optional and shall not prevent any student from bringing their own lunch or breakfast to school.

The school business administrator shall be responsible for the accounting and tracking of revenues and expenses generated by the school meal program. The principal or his or her designee shall oversee the notification of parents/guardians for the payment of charges and arrears associated with the school meal program. Being in arrears shall be defined as being behind in meal payments due, resulting in debt or liability to the Absecon School District.

**Procedures for Charging Lunch**

In the event a student's school lunch or breakfast bill is in arrears, the food service director or designee shall contact the student's parent/guardian to provide notice of the amount in arrears and shall provide the parent/guardian a period of ten school days to pay the full amount due. If the student's parent/guardian does not make full payment to the school by the end of the ten school days, the principal or his or her designee shall again contact the student's parent/guardian to provide a second notice that their child's lunch or breakfast bill is in arrears. The district shall again contact the student's parent or guardian to provide notice of any action to be taken by the school district in response to a student's school breakfast or school lunch bill being in arrears (N.J.S.A. 18A:33-21).

The building principal or his or her designee shall implement appropriate measures that ensure that students who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears shall not be publicly identified or stigmatized.

SCHOOL MEAL PROGRAM ARREARS (continued)

The district shall report at least biannually to the Department of Agriculture the number of students who are denied school breakfast or school lunch.

No district staff member shall:

- A. Publicly identify or stigmatize a student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill that is in arrears, for example, by requiring that the student sit at a separate table or wear a wristband, hand stamp, or identifying mark or by serving the student an alternative meal;
- B. Require a student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill that is in arrears to do chores or other work to pay for the school breakfast or school lunch; or
- C. Require a student to discard a school breakfast or school lunch after it has been served because of the student's inability to pay for a school breakfast or a school lunch or because money is owed for previously provided meals.
- D. Prohibit an unsubsidized student, or a sibling of such a student, from attending or participating in non-fee-based extracurricular activities, field trips, or school events, from receiving grades, official transcripts, or report cards, or from graduating or attending graduation events, solely because of the student's unresolved meal debt; or
- E. Require the parent or guardian of an unsubsidized student to pay fees or costs in excess of the actual amounts owed for meals previously served to the student

Procedures

Students without breakfast/lunch or meal money may receive a meal through the school meal program according to the following rules:

- C. The school business administrator shall notify the principal when the student has accumulated ten (10) unpaid meal charges;

SCHOOL MEAL PROGRAM ARREARS (continued)

the principal or his or her designee shall provide the second notification of the arrears. The second notice shall be mailed/emailed to the student and the parents/guardians and include:

1. A statement that if payment in full is not made within one week from the date of the second notice, the action to be taken by the school district in response to a student's school breakfast or school lunch bill being in arrears, as applicable, beginning the eighth calendar day from the date of the second notice;
2. The Absecon Board of Education policy 3542.2 School Meal Program Arrears;
3. A statement of the meal charges, that includes instructions for payment;
4. A request to schedule a conference with the principal to discuss the arrears;
5. As necessary and appropriate notification that the Absecon School District shall make a report to the Division of Child Protection and Permanence;
6. As necessary and appropriate notification that the Absecon School District will enforce collection efforts and related fees, including filing a cause of action in small claims court.

F. If a student owes money for the equivalent of five or more school meals, the district shall:

1. Determine if the student is eligible for a free or reduced price school meal;
2. Make at least two attempts, not including the application or instructions provided to the parent or guardian, to contact the student's parent or guardian and have the parent or guardian fill out an application for the school lunch program and school breakfast program; and
3. Require a principal, or a person designated by the principal, to contact the parent or guardian to offer assistance with the application for the school lunch and school breakfast program, determine if there are other issues within the household that have caused the child to have insufficient funds to purchase a school breakfast or school lunch, and offer any other appropriate assistance;

G. The district shall direct communications about a student's school breakfast or school lunch bill being in arrears to the parent or guardian and not the student. The district may send a student home with a letter addressed to a parent or guardian;

H. Qualified Absecon School students receiving assistance according to Absecon School District policy 3542.31 Free or Reduced Price Lunches, Milk who accumulate arrears shall continue to receive a meal not to exceed the reimbursable meal allowance regardless of a bill in arrears. The student shall not, however, be permitted ala carte items, or other food charges during the school day;

I. If payment is not paid in full, a meal from a limited menu not to exceed the reimbursable meal allowance shall always be provided to students in kindergarten through grade eight. The student shall not be permitted ala carte items, or other food charges during the school day;

Restrictions related to the purchase of ala carte items or other foods that are offered as part of the school meal program shall cease upon payment of the charges in arrears.

Payment of Charges

The school business administrator shall be responsible for tracking and billing all lunch accounts in arrears. The following guidelines shall apply:

- A. Charges will show a negative account balance on the student's school meal program account, and billed, at a minimum, quarterly to the parent/guardian;
