December 8, 2020

Dear Absecon Family Members,

As you are aware, our entire state recently transitioned from Yellow/Moderate to Orange/High on the New Jersey Department of Health's Covid-19 Activity Level Index (CALI); moreover, as you may also be aware numerous local districts here in Atlantic County have been closed intermittently, or for even longer durations of time due to related factors of Covid-19.

As of today, December 8, 2020, the Absecon School District does not have any confirmed cases of Covid-19 within our learning community, and an Orange rating by the NJ Department of Health does not necessitate a shutdown. Knowing that the reality of this situation is ever evolving, if we were to experience related or multiple positive cases or if the South Eastern region (Cumberland, Cape May, and Atlantic Counties) of the state was updated to Red by the NJDOH, we would then activate our Closure Plan. Although several districts within our immediate region are currently closing due to Covid-19 related-factors, our doors remain open while providing a safe learning environment for students and staff alike.

Sincerely,

Daniel J. Dooley, Ed.D.
