

**Absecon School District PALS registration is still available.**

Please register your student for PALS if you plan on having them attend the program in September. Due to current regulations, PALS will not be able to accept same day scheduling of students; children will no longer be able to attend PALS without registering in advance. Please visit the district website for more information on PALS registration.

PALS will be asking parents to schedule their students bi-weekly this year instead of weekly or daily, since the current regulations have changed to only allow the scheduling of Cohorts, groups of 10 or less including the same students and staff, to minimize exposure. If you are a PALS participant or if you plan on registering for PALS you must go onto the Procure site, through our District Website, and put in your child's PALS bi-weekly schedule for September.

Thank you.
