Dear Absecon Public School District:

The Absecon PALS program is scheduled to open with the start of school on September 8th, 2020. We look forward to coming back together after our extended time apart with many changes for the students as they re-enter school in September.

During their time in PALS, students will have the opportunity to accomplish their virtual learning tasks as well as participate in engaging activities that will rotate every 45 minutes. Please reference the PALS Moving Forward slideshow using the link below to learn more about our planned activities, safety precautions, and daily schedule.
