- April 13th and 14: PreSchool Registration - 4 year olds**
- April 16th: Marking Period Ends**
- April 19th -23rd: Abilities Awareness Week**
- April 19th and 20th: Spring Pictures**

**April 1st:** The staff has an early dismissal day due to Spring break starting so there will not be any afternoon Live Google Meets. Teachers will inform virtual students of their schedule for the day. In house students will have a regular scheduled day.

**Return of virtual students:** Our virtual students have returned to school and are acclimating well to their classroom. Their classmates are excited to have met new friends. I am happy to announce we will have another phase of students returning to the building. **If you would like your child to return to in house instruction, please call the Marsh office no later than April 14 by 4pm.** After that date, we can no longer accept requests for students to return to inhouse instruction.

**Report Cards:** Report Cards will be going out for the third marking period toward the end of April. Please make sure students are caught up on their work as the marking period closes on April 16th.

**LifeTouch Photos:** Life Touch will be back to take Spring pictures on April 19th and 20th of all students. We will be reaching out to the virtual families with information to set up a time and date for them to come to school to get their picture taken.
