Dear Absecon Learning Community,

Thank you to everyone who continues to reach out and work collaboratively with the district during these unprecedented times. Many of you may be looking at the survey for the first time today, for immediate attention to your questions or concerns please feel free to contact me over the weekend on my cell, (856) 524-8741. As we continue to work with our Road Back Committee representing: teachers, parents, administrators, nurses, district physician, Mayor, Police, Members of the BOE, Absecon Education President (current and past), CST, and administration we will be working on the plan based on your feedback from the surveys on Wednesday, July 22nd. A final and comprehensive plan, one that is determined by the committee based upon your feedback, as recommended by the NJDOE, aligns with best practice, neighboring districts, and the guidance of the CDC, Atlantic County Health Department, and DOE Guidelines. Our goals for this plan as expressed to the committee on July 15th: safety and health, education and social/emotional well-being, and supporting the community with a robust before and after school PALS Program. Finally, we will be presenting to the parents including an open Q and A Session prior to our final submission of the plan to the State, August 7th.

Thank you for your continued partnership and overwhelming support during this monumental and imperative time in our children's life.

Stay well,

Dr. Daniel J. Dooley
