Good Afternoon Absecon Learning Community:

Thank you to everyone who has already taken our survey, we are quickly approaching 200 participants. Your feedback has been overwhelmingly informative and supportive, and we thank you for your continued partnership and collaboration during these unprecedented times. Please keep in mind that all surveys are due by the end of the day Monday, July 20th.

I would like to thank our forty plus volunteers, from all facets of our learning community, for their continued commitment to this process, as we started off with a 5 hour in person meeting this past Wednesday. Our next Committee Meeting is scheduled for this Wednesday, July 22nd. The objective of this meeting will be to disaggregate the data provided from the surveys and to form a comprehensive plan, from your feedback, that will be shared with all stakeholders through multiple genres prior to its required submission to the New Jersey Department of Education, on or before August 7th.

If there are questions or concerns that need to be addressed please contact your administrative team at:
