

It's that time of year!

Registration for the 2021 Absecon Tomahawks lacrosse season is now open and will be available until January 22nd to ensure we have the order for the custom uniforms in on time. Boys & girls in 2nd grade through 8th grade may register. Log in to your account at www.absecontomahawks.com to register.

If you know of any family or friends that live outside of Absecon and their town does not have a lacrosse program, please pass this information and registration link on.

Practices are going to start March 1, 2021. If we have decent weather leading up to March, we may begin team clinics or practices sooner.

Games are tentatively starting March 20, 2021 and ending with the last week May 22, 2021.

Note the following when registering:

- To apply the \$20 Covid-19 discount, please select Yes.
- If a player needs a new uniform, please be sure add the uniform option on to your registration. Either way, you will need to select Jersey & Shorts sizes.
- Select "I Accept" for Tomahawks Lacrosse Insurance, this is required to complete registration.

Please contact me if you are interested in coaching, other volunteer opportunities or if you have any questions.

GO TOMAHAWKS!
